2024 marks a special milestone for Language in Action; we will celebrate our 10th year of delivering outstanding educational experiences for global young learners here in the UK and I am excited to welcome you to our community.

At Language in Action our focus is on connections; between people, cultures, the environment and, most importantly, between young people's present and their future goals. I had the privilege of living on site in 2023 and seeing this first hand – as the Head of this fantastic organisation it is something that I am determined to see thrive and grow in years ahead.

2023 was truly record breaking for us with over 2500 students from all around the world joined our programmes in London and Manchester. Moving into summer 2024, I am thrilled that we will be launching new programmes so that more students can experience a summer with Language in Action & make more connections than ever before.
